Reference: Proposed Modifications to Regulation Resources Credit Requirements

Dear Ms. Harhai:

On February 6, 2018, as amended on February 7, 2018, and March 16, 2018, PJM Interconnection, L.L.C. and PJM Settlement, Inc. (collectively, PJM) filed proposed revisions to the PJM Open Access Transmission Tariff (Tariff), Attachment Q, PJM Credit Policy, to correct an inadvertent credit requirement that has been imposed on certain resources providing Regulation service to PJM.¹ PJM states that the revisions will eliminate the misalignment between the application of credits from Regulation service with the energy used to provide that service in the billing statements issued by PJM.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307, your submittal is accepted for filing, effective April 9, 2018, as requested.

The filings were noticed on February 6, 2018, February 8, 2018, and March 16, 2018, with comments, interventions, and protests due on or before February 27, 2018, February 28, 2018, and April 6, 2018, respectively. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2017)), to the extent that any timely filed motions to intervene and any motion

to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PJM.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,
