Reference: Compliance Filing re: Schedule 6A Black Start Revisions

On January 14, 2022, in response to a Commission directive, PJM Interconnection L.L.C. (PJM) submitted revisions to Schedule 6A of the PJM Open Access Transmission Tariff concerning Black Start Service. PJM states that the Tariff revisions change the Capital Recovery Factor formula to remove references to an assumed unit type, unit size, and level of capital investment.¹ Pursuant to authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307 (2021), the submittal is accepted for filing, effective June 6, 2021, as requested.

The filing was publicly noticed, with interventions and protests due on or before February 4, 2022. Pursuant to Rule 214 of the Commission's regulations (18 C.F.R. § 385.214 (2021)), notices of intervention, timely-filed motions to intervene, and any unopposed motions to intervene out-of-time filed before the issuance date of this order are granted. Granting a late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed document(s); nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made
