*Re: PJM Interconnection, L.L.C., Docket No. ER25-1139-000*

*Amendment to Service Agreement No. 5989; Queue Position No. AF1-217*

Dear Secretary Reese:

Pursuant to section 205 of the Federal Power Act,<sup>1</sup> Part 35 of the rules and regulations of the Federal Energy Regulatory Commission (“Commission”),<sup>2</sup> PJM Interconnection, L.L.C. (“PJM”) submits for filing an amended Wholesale Market Participation Agreement (“WMPA”) among PJM, Sycamore Trail Solar, LLC (“Wholesale Market Participant”), and Mid-Atlantic Interstate Transmission, LLC (as agent for FirstEnergy Pennsylvania Electric Company) (“Transmission Owner” or “MAIT”) (collectively, the “Parties”) (the “Amended WMPA”). The Amended WMPA modifies Service Agreement No. 5989, filed with and accepted by the Commission in Docket No. ER21-1230-000, as amended in Docket No. ER23-1711-000,<sup>3</sup> effective June 26, 2023 (the “Original WMPA”).

---

<sup>1</sup> 16 U.S.C. § 824d.

<sup>2</sup> 18 C.F.R. part 35.

<sup>3</sup> See *PJM Interconnection, L.L.C.*, Letter Order, Docket No. ER21-1230-000 (Apr. 26, 2021); *PJM Interconnection, L.L.C.*, Letter Order, Docket No. ER23-1711-000 (June 13, 2023).

The Amended WMPA clarifies the existing agency relationship whereby MAIT serves as agent for FirstEnergy Pennsylvania Electric Company.<sup>4</sup> The Commission previously has approved similar language clarifying the agency relationship between FirstEnergy's transmission and distribution entities.<sup>5</sup> MAIT continues to be the party to the Amended WMPA. The Amended WMPA also updates existing milestones, adds a new milestone, and makes other ministerial changes to the Original WMPA.

Commission rules and regulations require that any change to the provisions of a service agreement on file with the Commission shall be filed as a change in rate.<sup>6</sup> Accordingly, PJM hereby submits the Amended WMPA for filing.

## **I. DESCRIPTION OF THE AMENDED WMPA**

The Amended WMPA is designated as Service Agreement No. 5989 and is substantively the same as the Original WMPA, except the Amended WMPA reflects the following changes:

- (1) All references to Mid-Atlantic Interstate Transmission, LLC are replaced with Mid-Atlantic Interstate Transmission, LLC (as agent for FirstEnergy Pennsylvania Electric Company);
- (2) The introductory paragraph is revised to include the procedural history;

---

<sup>4</sup> FirstEnergy Pennsylvania Electric Company, a Pennsylvania public utility and a wholly-owned subsidiary of FirstEnergy Corp. ("FirstEnergy"), became the singular operating company for FirstEnergy's distribution utilities in the Commonwealth of Pennsylvania following FirstEnergy's Commission-approved corporate restructuring transaction that closed on January 1, 2024. *See FirstEnergy Corp., et al.*, 184 FERC ¶ 61,094 (2023); *see also FirstEnergy Corp., et al.*, Notice of Consummation, Docket No. EC23-59-000 (filed Jan. 5, 2024).

<sup>5</sup> *See PJM Interconnection, L.L.C.*, Letter Order, Docket No. ER24-481-000 (June 20, 2024); *PJM Interconnection, L.L.C.*, Letter Order, Docket No. ER24-1102-000 (Mar. 28, 2024); *PJM Interconnection, L.L.C.*, Letter Order, Docket No. ER24-928-000 (Feb. 20, 2024); *PJM Interconnection, L.L.C.*, Letter Order, Docket No. ER24-928-000 (Feb. 20, 2024).

<sup>6</sup> 18 C.F.R. § 35.1(c).

- (3) Section 2.0 (Notices) is revised to reflect the Transmission Owner's current contact information;
- (4) Section 2.6.1 (Assignment with Prior Consent), section 2.6.2.1 (Assignment to Owners), and section 2.6.2.2 (Assignment to Lenders) are revised to reference an added milestone;
- (5) Section 3.1.1 (Substantial Site work completed) is revised to reflect a new milestone date;
- (6) Section 3.1.2 (Commercial Operation) is revised to reflect a new milestone date.
- (7) A new milestone, section 3.1.5 (Revised Interconnection Agreement), is added;
- (8) Specifications, section 1.0(a) (Name of Participant Facility) is revised to reflect the Wholesale Market Participant's preferred name for the Participant Facility; and,
- (9) Specifications, section 1.0(b) (Location of Participant Facility) is revised to remove the reference to the region in which the Participant Facility is located as such information is no longer required.

The Parties effectuated the foregoing changes through the attached Agreement to Amend ("AA") and Milestone Change Document ("MCD") signed by the Parties.<sup>7</sup> Except for the revisions specified above, all other terms and conditions of the Original WMPA remain the same.

---

<sup>7</sup> The executed AA and MCD are attached to this transmittal letter as Attachment C.

## **II. REQUESTED EFFECTIVE DATE**

PJM requests an effective date of April 5, 2025 for the Amended WMPA. The requested effective date is sixty-one (61) days after this submission of the Amended WMPA, and thus meets the Commission's notice requirement.<sup>8</sup>

## **III. DOCUMENTS ENCLOSED**

In addition to this transmittal letter, PJM encloses the following:

If the Interconnection Agreement between the Wholesale Market Participant and the Transmission Owner, as referenced in section 3.1.4 [and 3.1.5](#) herein, provides that such Interconnection Agreement may be assigned, and such Interconnection Agreement was assigned, then, except as provided in Section 2.6.2 of this WMPA, no Party shall assign its rights or delegate its duties under this WMPA without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned, or delayed; and any such assignment or delegation made without such prior written consent shall be null and void. A Party may make an assignment in connection with the sale, merger, or transfer of all of its properties, including the Participant Facility, which it owns, so long as the assignee in such a sale, merger, or transfer assumes in writing all rights, duties and obligations arising under this WMPA. In addition, the Transmission Owner shall be entitled, subject to applicable laws and regulations, to assign the WMPA to an Affiliate or successor that owns and operates all or a substantial portion of the Transmission Owner's transmission facilities.

### **2.6.2 Assignment without Prior Consent**

#### **2.6.2.1 Assignment to Owners:**

If the Interconnection Agreement between the Wholesale Market Participant and the Transmission Owner, as referenced in section 3.1.4 [and 3.1.5](#) herein, provides that such Interconnection Agreement may be assigned, and such Interconnection Agreement was assigned, then the Wholesale Market Participant may assign its rights or delegate its duties under this WMPA without the Transmission Owner's or Transmission Provider's prior consent to any Affiliate or person that purchases or otherwise acquires, directly or indirectly, all of the Participant Facility, provided that prior to the effective date of any such assignment: (1) the assignee shall demonstrate that, as of the effective date of the assignment, the assignee has the technical and operational competence to comply with the requirements of this WMPA; and (2) in writing to the Transmission Owner and Transmission Provider, assignee assumes all rights, duties, and obligations of Wholesale Market Participant arising under this WMPA. However, any assignment described herein shall not relieve or discharge the Wholesale Market Participant from any of its obligations hereunder absent the written consent of the Transmission Provider, such consent not to be unreasonably withheld, conditioned or delayed.

#### **2.6.2.2 Assignment to Lenders:**

If the Interconnection Agreement between the Wholesale Market Participant and the Transmission Owner, as referenced in section 3.1.4 [and 3.1.5](#) herein, provides that such Interconnection Agreement may be assigned to any Project Finance

Entity(ies), and such Interconnection Agreement was assigned, then the Wholesale Market Participant may, without consent of the Transmission Provider or the Transmission Owner, assign this WMPA to such Project Finance Entity(ies), provided that such assignment does not alter or diminish Wholesale Market Participant's duties and obligations under this WMPA. If Wholesale Market Participant provides the Transmission Owner and Transmission Provider with notice of an assignment to such Project Finance Entity(ies) and identifies such Project Finance Entity(ies) as a contact for notice of Breach consistent with section 15.3 of Attachment O, Appendix 2 in Part VI of the Tariff, the Transmission Provider or Transmission Owner shall provide notice and reasonable opportunity for such Project Finance Entity(ies) to cure any Breach under this WMPA in accordance with this WMPA. Transmission Provider or Transmission Owner shall, if requested by such Project Finance Entity(ies), provide such customary and reasonable documents, including consents to assignment, as may be reasonably requested with respect to the assignment and status of this WMPA, provided that such documents do not alter or diminish the rights of the Transmission Provider or Transmission Owner under this WMPA, except with respect to providing notice of Breach consistent with section 15.3 of Attachment O, Appendix 2 in Part VI of the Tariff, to such Project Finance Entity(ies). Upon presentation of the Transmission Provider and/or Transmission Owner's invoice therefor, Wholesale Market Participant shall pay the Transmission Provider and/or the Transmission Owner's reasonable documented cost of providing such documents and certificates as requested by such Project Finance Entity(ies). Any assignment described herein shall not relieve or discharge the Wholesale Market Participant from any of its obligations hereunder absent the written consent of the Transmission Owner and Transmission Provider.

### **2.6.3 Successors and Assigns:**

This WMPA and all of its provisions are binding upon, and inure to the benefit of, the Parties and their respective successors and permitted assigns.

## ARTICLE 3 – Responsibility for Network or Local Upgrades

- 3.0 Security for Network or Local Upgrades.** Consistent with Section 212.4 in Part VI of the Tariff, Wholesale Market Participant, on or before the effective date of this WMPA, shall provide the Transmission Provider (for the benefit of the Transmission Owner) with a letter of credit from an agreed provider or other form of security reasonably acceptable to the Transmission Provider and that names the Transmission Provider as beneficiary (“Security”) in the amount of \$0. This amount represents the sum of the estimated Costs, determined consistent with Section 217 in Part VI of the Tariff, of (i) the Local Upgrades and/or Network Upgrades less any Costs already paid by the Wholesale Market Participant. Should Wholesale Market Participant fail to provide Security in the amount or form required in the first sentence of this Section, this WMPA shall be terminated. Wholesale Market Participant acknowledges that its ultimate cost responsibility consistent with Section 217 in Part VI of the Tariff will be based upon the actual Costs of the facilities described in the Specifications to this WMPA, whether greater or lesser than the amount of the Security provided under this Section.
- 3.1 Project Specific Milestones.** During the term of this WMPA, Wholesale Market Participant shall ensure that it meets each of the following milestones:
- 3.1.1 Substantial Site work completed.** On or before ~~April 30, 2022~~December 31, 2026 Wholesale Market Participant must demonstrate completion of at least 20% of project site construction.
  - 3.1.2 Commercial Operation.** (i) On or before ~~September 30, 2022~~April 30, 2027, Wholesale Market Participant must demonstrate commercial operation of all generating units; (ii) On or before ~~September 30, 2022~~April 30, 2027, Wholesale Market Participant must demonstrate commercial sale or use of energy and, if applicable obtain capacity qualification consistent with the requirements of the Reliability Assurance Agreement Among Load Serving Entities in the PJM Region.
  - 3.1.3 Documentation.** Within one (1) month following commercial operation of generating unit(s), Wholesale Market Participant must provide certified documentation demonstrating that “as-built” Participant Facility are consistent with applicable PJM studies and agreements. Wholesale Market Participant must also provide PJM with “as-built” electrical modeling data or confirm that previously submitted data remains valid.
  - 3.1.4 Interconnection Agreement.** On or before October 31, 2021, Wholesale Market Participant must enter into an Interconnection Agreement with the Transmission Owner in order to effectuate the WMPA. This WMPA shall automatically terminate upon the termination of the two-party Interconnection Agreement between the Wholesale Market Participant and Transmission Owner.

**3.1.5 Revised Interconnection Agreement.** On or before March 31, 2025, Wholesale Market Participant must revise the Interconnection Agreement, or enter into a superseding Interconnection Agreement, with the Transmission Owner to address any change in the project scope. This WMPA shall automatically terminate upon the termination of the two-party Interconnection Agreement between the Wholesale Market Participant and Transmission Owner.

Wholesale Market Participant shall demonstrate the occurrence of each of the foregoing milestones to Transmission Provider's reasonable satisfaction. Transmission Provider may reasonably extend any such milestone dates, in the event of delays that Wholesale Market Participant (i) did not cause and (ii) could not have remedied through the exercise of due diligence.

If (i) the Wholesale Market Participant suspends work pursuant to a suspension provision contained in an interconnection and/or construction agreement with the Transmission Owner or (ii) the Transmission Owner extends the date by which Wholesale Market Participant must enter into an interconnection agreement relative to this WMPA, and (iii) the Wholesale Market Participant has not made a wholesale sale under this WMPA, the Wholesale Market Participant may suspend this WMPA by notifying the Transmission Provider and the Transmission Owner in writing that it wishes to suspend this WMPA, with the condition that, notwithstanding such suspension, the Transmission System shall be left in a safe and reliable condition in accordance with Good Utility Practice and Transmission Provider's safety and reliability criteria. Wholesale Market Participant's notice of suspension shall include an estimated duration of the suspension period and other information related to the suspension. Pursuant to this section 3.1, Wholesale Market Participant may request one or more suspensions of work under this WMPA for a cumulative period of up to a maximum of three years. If, however, the suspension will result in a Material Modification as defined in Part I, Section 1.18A.02 of the Tariff, then such suspension period shall be no greater than one (1) year. If the Wholesale Market Participant suspends this WMPA pursuant to this Section 3.1 and has not provided written notice that it will exit such suspension on or before the expiration of the suspension period described herein, this WMPA shall be deemed terminated as of the end of such suspension period. The suspension time shall begin on the date the suspension is requested or on the date of the Wholesale Market Participant's written notice of suspension to Transmission Provider, if no effective date was specified. All milestone dates stated in this Section 3.1 shall be deemed to be extended coextensively with any suspension period permitted pursuant to this provision.

IN WITNESS WHEREOF, Transmission Provider, Wholesale Market Participant and Transmission Owner have caused this WMPA to be executed by their respective authorized officials. By each individual signing below, each represents to the other that they are duly authorized to sign on behalf of their company and have the actual and/or apparent authority to bind the respective company to this WMPA.
